

## Crediton Parish Church

### DIRECTOR OF MUSIC

We are seeking to appoint a gifted and inspirational Director of Music to lead the musical life of this magnificent parish church in a vibrant country town eight miles from Exeter.

Holy Cross has an accomplished and enthusiastic c.50-strong mixed choir which enjoys occasional visits to English cathedrals and also some foreign tours.

The church has recently been designated a Major Parish Church and has a fine Harrison and Harrison 3-manual pipe organ, which was rebuilt in 2001.

The Director of Music should be in sympathy with the Christian ministry and worship of Holy Cross and demonstrate the skill and commitment to inspire the choir and congregation in their music.
